# How does the program work?

Once we receive your application, your service will begin.

We will choose titles for you based on your individual preferences and requests.

You will receive your book in the mail in a canvas book bag. You will have 30 days to finish each title.

Once you are finished, simply place the item back into the bag, flip over the address label on the front to display the postage paid return label, and drop it in the mail.

When we receive the returned materials, we will promptly send you your next book to enjoy!
